

MINUTES

Planning and Marketing Committee, Wednesday, 11/5/14, 1:00pm

Webb Conference Room Annex, 191 8th Street, Suite D, Ketchum, ID 83340

1:00pm

Present: Steve Wolper, Nils Ribi, Kristin Derrig, Wendy Crosby, Kim MacPherson, Jim Finch, and Rod Domke

Also present: Keevan Shropshire, JHS Architects

Absent: Dave Patrie

1. Update on south valley facility design progress (p.3-8)
 - a. Keevan from JHS brought exterior colors and samples to show the group. His recommendation is to use split-faced and smooth concrete block. He had met with Jason Miller earlier in the day and received a verbal blessing from Matt Engle of Southern Belle homeowners association.

2. Discuss additional Green Route funding to improve midday service (p.2)
 - a. Wendy Crosby gave the group the background for the discussion of adding the midday service back to the Green route. Since the Green route can meet the criteria for 5310 funding and Mountain Rides happens to have some additional funding from that grant, the recommendation is to restore the midday gap for the winter season.

3. Other items to come before the committee. There were none.

Adjourn 1:35pm
